Invitation Letter

The African Forensic Sciences Academy (AFSA) together with the Rwanda Forensic Institute (RFI), are thrilled to invite you to the **AFSA2024 Inaugural Conference**. This prestigious event will be held at the Kigali Convention Centre, Rwanda, from 23-28 September 2024.

AFSA2024 serves as a pivotal platform to explore the critical theme of the "**Forensic Science Ecosystem in Africa**." This conference brings together forensic science practitioners and stakeholders from across the continent and internationally. AFSA2024 offers a dynamic learning experience with renowned keynote speakers discussing critical aspects of African forensic science and interactive workshops that will allow attendees to explore sub-themes, fostering knowledge exchange and collaboration.

For registration, please visit the AFSA2024 website at AFSA2024.AFSA.Africa. For general inquiries, feel free to contact us at events@AFSA.Africa.

The African Forensic Sciences Academy (AFSA) is a non-profit international non-governmental organisation (INGO) that represents forensic science professionals across Africa.

The Rwanda Forensic Institute (RFI) is a government institution dedicated to supporting Rwanda's justice system with forensic evidence, as well as engaging in research, training, and consultancy.

Be assured that this will also create an opportunity to visit and learn more about Rwanda, the Land of a Thousand Hills.

We eagerly look forward to welcoming you to Kigali.

Warm regards,

J. Olckers
